Men, keep the above date free for breakfast. It's a chance to get connected with Christian brothers and to encourage one another in our walk for Christ.

IF YOU FACE THE CHALLENGE OF UNEMPLOYMENT, WE PARTICULARLY WANT TO REACH OUT AND ENCOURAGE YOU.

We are conscious that many men have either lost their job or face the risk of losing their job in this economy. We are inviting Christian employers to share breakfast and we will hear 2 testimonies from Christian men in our community:

- 1) Paul Smith
- 2) Randy Collins (former President and CEO of Loudoun Chamber of Commerce)
